NEED TREATMENT?

We want to make sure everything runs as smoothly as possible when **you** need **treatment**, so we help take care of the practicalities so **you** can focus on getting better.

If **you** contact **us** before going for **treatment**, **we** can explain **your** benefits and confirm that **your treatment** is covered by **your health plan**. If needed **we** can also help with suggesting **hospitals**, clinics and **doctors** and offer any help or advice **you** may need.

In cases where **you** need **hospital treatment**, contacting **us** also gives **us** an opportunity to contact **your hospital** or clinic and make sure they have everything they need to go ahead with **your treatment**. If possible **we** will arrange to pay them directly too.

We would like to make **you** aware that there are certain benefits for which **you** must receive pre-authorization. These are detailed in **your** 'Table of benefits'. Benefits may not be paid unless pre-authorization has been provided.

The pre-authorization process

You can pre-authorise **your treatment** by phone or email. Once **we** have the necessary details, **we** send a pre-authorization statement to **your hospital** or clinic.

We also send **you** a pre-authorization statement. This can be used as a claim form to send back to **us** if **you** receive any invoices or are asked to pay for any aspect of **your treatment** yourself. More detail is provided on the claims process on the next page.

From time to time **we** may ask **you** for more detailed medical information, for example, to rule out any relation to a **pre-existing condition**.

Remember we can offer a second medical opinion service

The solution to health problems isn't always black and white. That's why **we** offer **you** the opportunity to get another opinion from leading international **specialists**.

Pre-authorization complete and now going for treatment?

Always remember to keep **your** insurance cards with **you** and present the appropriate card to **your benefits provider** when **you** arrive.

Our approach to costs

When **you** are in need of a **benefits provider**, **our** dedicated team can help **you** find a **recognised medical practitioner, hospital or healthcare facility** within **network**. Alternatively, **you** can view a summary of **benefits providers** on Facilities Finder at <https://bupaglobal.com/en/facilities/finder>. Where **you** choose to have **your treatment** and services with a **benefits provider** in **network**, **we** will cover the costs of any **covered benefits**, once any applicable **co-insurance** or deductible amount which **you** are responsible to pay has been taken from the total claimed amount.

Should **you** choose to have **covered benefits** with a **benefits provider** who is not part of **network**, **we** will only cover costs that are **reasonable and customary**. This means that the costs charged by the **benefits provider** must be no more than they would normally charge, and be similar to other **benefits providers** providing comparable health outcomes in the same geographical region. These may be determined by **our** experience of usual, and most common, charges in that region. Government or official medical bodies will sometimes publish guidelines for fees and medical practice (including established **treatment** plans, which outline the most appropriate course of care for a specific condition, operation or procedure). In such cases, or where published insurance industry standards exist, **we** may refer to these global guidelines when assessing and paying claims. Charges in excess of published guidelines or **reasonable and customary** made by an 'out-of-network' **benefits provider** will not be paid.

This means that, should **you** choose to receive **covered benefits** from an 'out-of-network' **benefits provider**:

- o **you** will be responsible for paying any amount over and above the amount which **we** reasonably determine to be **reasonable and customary** – this will be payable by **you** directly to **your** chosen 'out-of-network' **benefits provider**;
- o **we** cannot control what amount **your** chosen 'out-of-network' **benefits provider** will seek to charge **you** directly.

There may be times when it is not possible for **you** to be treated at a **benefits provider** in **network**, for example, if **you** are taken to an 'out-of-network' **benefits provider** in an **emergency**. If this happens, **we** will cover the costs of any **covered benefits** (after any applicable **co-insurance** or deductible has been taken).

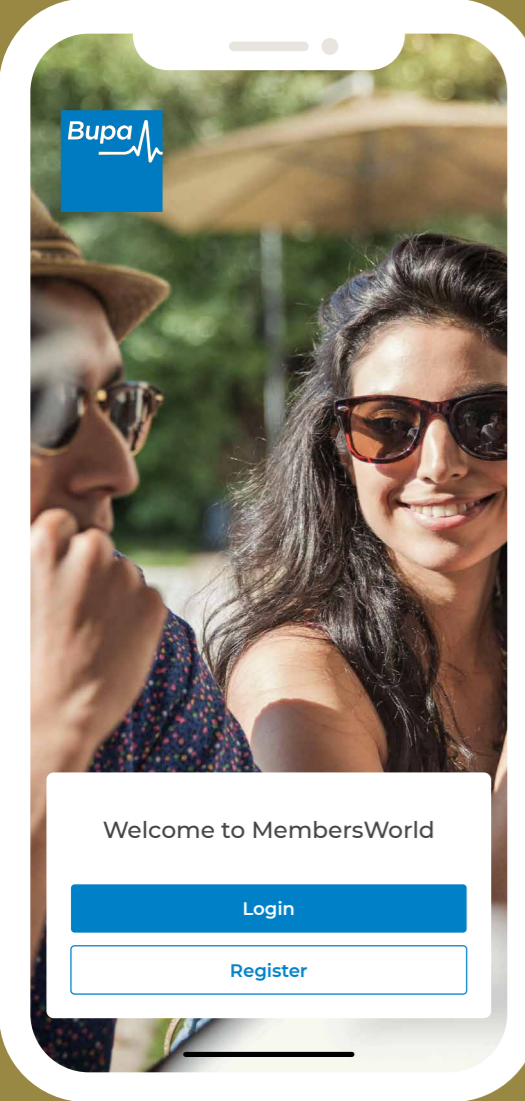

If **you** are taken to an 'out-of-network' **benefits provider** in an **emergency**, it is important that **you**, or the **benefits provider**, contact **us** within 48 hours of **your** admission, or as soon as reasonably possible in the circumstances. If it is the best thing for **you**, **we** may arrange for **you** to be moved to a **benefits provider** in **network** to continue **your treatment** once **you** are stable. Should **you** decline to transfer to a **benefits provider** in **network** only the **reasonable and customary** costs of any **covered benefits** received following the date of the transfer being offered will be paid (after any applicable **co-insurance** or deductible has been taken).

More rules may apply in respect of **covered benefits** received from an 'out-of-network' **benefits provider** in certain countries.

These charge levels may be governed by guidelines published by relevant government or official medical bodies in the particular geographical region, or may be determined by **our** experience of usual, and most common, charges in that region.

THE CLAIMING PROCESS

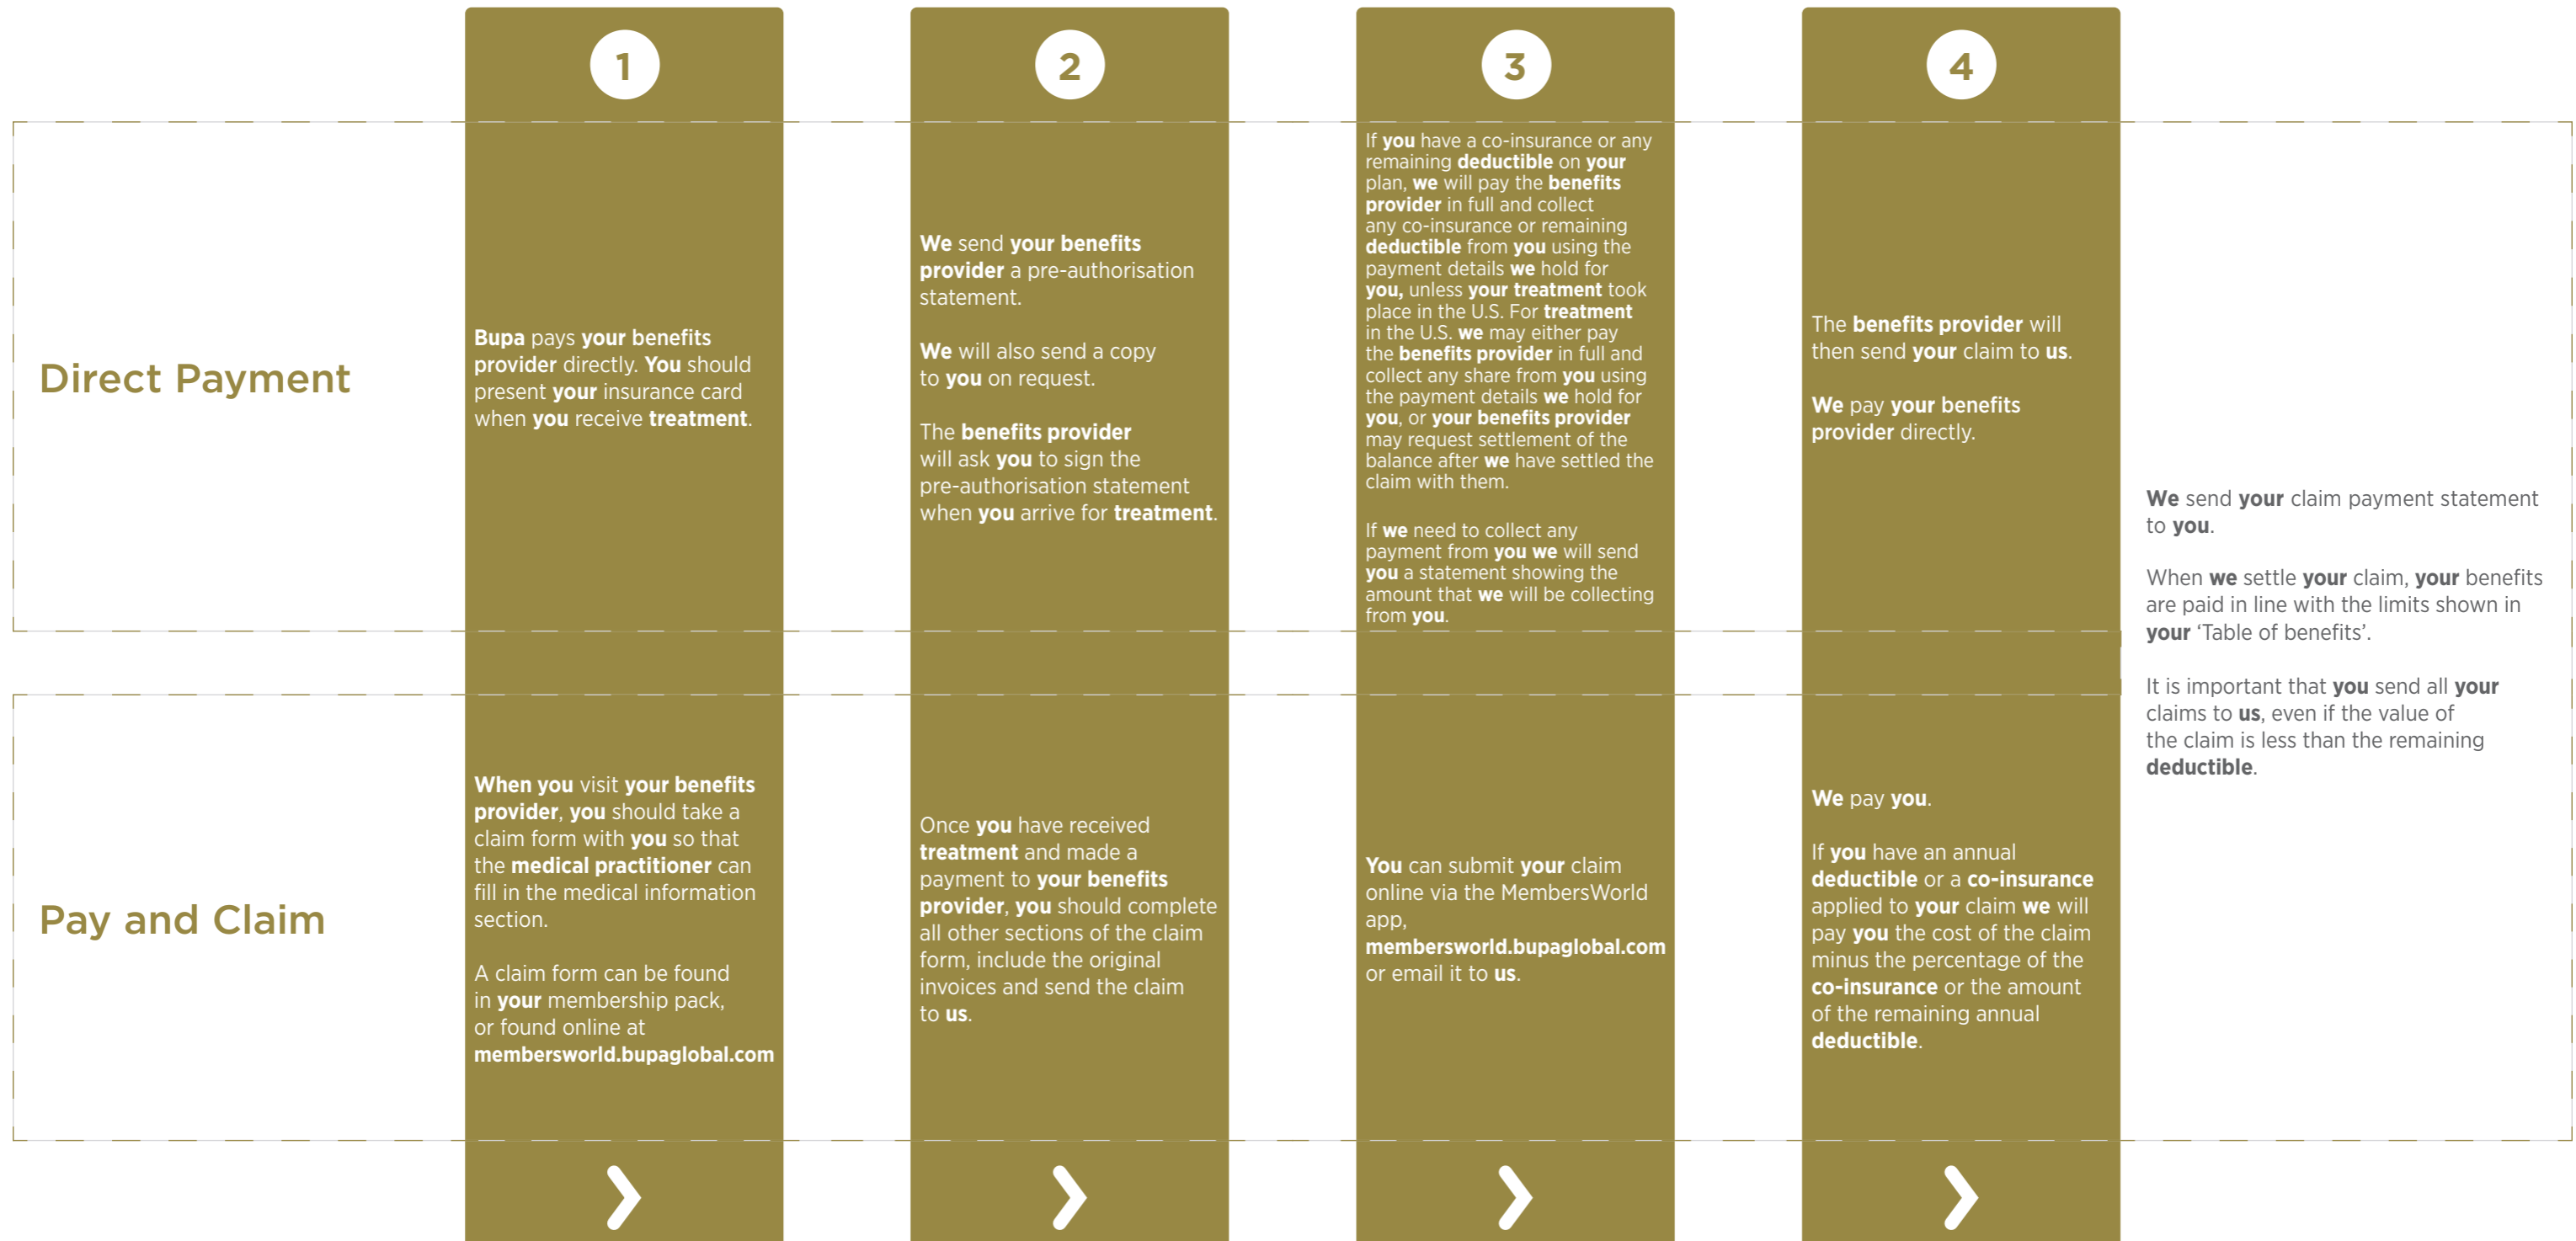

Whether **you** choose direct payment or 'pay and claim' **we** provide a quick and easy claims process. **We** aim to arrange direct settlement wherever possible, but it has to be with the agreement of whoever is providing the **treatment**. In general, direct settlement can only be arranged for **in-patient treatment** or **day-case treatment**. Direct settlement is easier for us to arrange if **you** pre-authorise **your treatment** first, or if **you** use a participating **hospital** or healthcare facility

How to make a claim

- The quickest way to submit **your** claim is to log on to **your** MembersWorld account and submit **your** claim electronically. **You** have the choice of submitting an online claim or uploading any completed claims form.
- Make sure **we** have all the information as the biggest delay to paying a claim is normally incomplete, missing or ineligible information.
- Make sure **you** have given **your** correct bank details. Reimbursement by bank transfer is by far the quickest way to receive **your** payment.

If **you** need assistance with a claim **you** can

- Call **us** on **+44 (0) 1273 718 379**
- Email **info@bupaglobal.com**

WANT TO ADD MORE PEOPLE TO YOUR HEALTH PLAN?

You can apply to include **dependants**, including newborn children, to this **health plan** by filling in an application form

You can download this easily from <https://membersworld.bupaglobal.com>. If **you** are adding **your** newborn child please complete the 'newborn application form' or **you** can contact **us** and **we** will send one to you.

It is possible to add dependants or newborn children on to a different health plan and/or include a different deductible for each person.

When **you** apply, the **dependant's** medical history will be reviewed by **our** medical team which may result in cover for **pre-existing conditions** or exclusions or **we** may decline to offer cover. The cover will start on the date **our** medical team accept **your** application to join. Any special restrictions or exclusions are personal to the person **you** add and will be shown on **your** insurance certificate.

Adding your newborn child?
Congratulations on **your** new arrival!

To add **your** newborn baby **you** will need to send **us** a completed newborn application form. If:

- either parent has been a **Bupa Global** member for at least 18 months before the baby's birth and
- **we** receive the application form within 30 days of the baby's birth

we will add the baby to the **policy** from their date of birth and not apply any personal exclusions to the baby's cover.

However, if:

- neither parent has been a **Bupa Global** member for at least 18 months before the baby's birth, or
- **we** receive the application form more than 30 days after the baby was born, or
- the child is born as a result of Assisted Reproduction Technologies, ovulation induction treatment, adopted, or born to a surrogate, or
- the baby was born in the U.S.,

the baby's medical history will be reviewed by **our** medical team which may result in cover for pre-existing conditions, special restrictions or exclusions, or **we** may decline to offer cover. This means that if the baby has medical conditions that need **treatment**, these might not be covered by the **policy**. Cover will start on the date that **we** receive the application form.

Where full U.S. cover has not been purchased prior to the mother falling pregnant, **treatment** including newborn care will not be covered by the 28 day **emergency** U.S. cover, unless the baby is born prematurely in unexpected circumstances.

If there are any changes to the information **you** provided in the application form after **you** or **your dependants** sign it and before **we** accept the application, please let **us** know straight away.

YOUR HEALTH PLAN BENEFITS

The 'Table of benefits' provides an explanation of what is covered on **your health plan** and the associated limits.

Benefit limits

There are three kinds of benefit limits shown in this table:

1. The 'overall annual maximum' – the maximum amount **we** will pay in total for all benefits, for each person, in each **policy year**.
2. Annual limits for a group of benefits – the maximum amount **we** will pay in total for all of the benefits in that group, such as **out-patient** day to day care.
3. Individual benefit limits – the maximum amount **we** will pay for individual benefits such as **rehabilitation**.

All benefit limits apply per person. Some apply each **policy year**, which means that once a limit has been reached, the benefit will no longer be available until **you** renew **your health plan**. Others apply per lifetime, which means that once a limit has been reached, no more benefits will be paid, regardless of the **renewal** of **your health plan**.

Currencies

All the benefit limits and notes are set out in three currencies: GBP, EUR and USD. The currency in which **you** pay **your** premium is the currency that applies to **your health plan** for the purpose of the benefit limits.

Waiting periods

You will notice that waiting periods apply to some of the benefits. This means that **you** cannot make a claim for that particular benefit until **you** have been covered for the full duration of the waiting period stated.

How does the deductible work?

Your deductible is the annual amount **you** must pay each **policy year** towards covered claims before **we** start paying.

It's important that **you** send all **your** claims to **us**, even if the value of the claim is less than the **deductible**. **We** won't make any payment, but the claim will count towards **your deductible**. If the claim is for an amount higher than the value of **your deductible** or remaining **deductible**, **we** will pay costs in line with **your** benefit limits.

There are two **deductible** options available. A **deductible** which applies only to **out-patient** day to day care benefits and a **deductible** which applies to all other benefits. If **you** select to have a **deductible**, **you** must choose one on both options.

Both **deductible** options apply:

- o each policy year
- o separately for each person.

Example: Here's how it works if **you** have a GBP 250 **deductible** for **out-patient** day to day care:

You visit a doctor. This is **out-patient** day to day care. The visit costs GBP 100.

You pay the doctor and submit the claim to us . This counts towards your deductible for the policy year .	You now have GBP 150 left to pay towards any out-patient day to day care for this policy year .
---	--

Later in the year **you** have some blood tests and an X-ray as an **out-patient**. These cost GBP 300.

You pay the remaining GBP 150 of **your deductible**, and **we** pay the rest. **You** will not have any more **deductible** to pay towards **out-patient** day to day care for this **policy year**.

Example: Here's how it works if **you** have a GBP 5,000 **deductible** for all other benefits:

You have **treatment** in hospital for a broken leg which costs GBP 3,000

You pay all the cost.	We don't pay towards this as the total cost is less than the amount of your deductible
------------------------------	--

Your remaining **deductible** for this **policy year** is GBP 2,000

Later in the year **you** are admitted to **hospital** for an operation which costs GBP 25,000

You pay the rest of your deductible . This is GBP 2,000	We pay the rest.
---	-------------------------

You will not have any more **deductible** left to pay for this **policy year**.

Please note that the benefit limits shown in the 'Table of benefits' is the maximum paid by **us**.

YOUR EXCLUSIONS

In the 'General exclusions' section below, **we** list specific **treatments**, conditions and situations that **we** do not cover as part of **your health plan**. As well as these general exclusions, **you** may have personal exclusions or restrictions that apply to **your health plan**, as shown on **your** insurance certificate.

Do you have cover for pre-existing conditions?

When **you** applied for **your health plan** **you** were asked to provide all information about any disease, illness or injury for which **you** received medication, advice or **treatment**, or **you** had experienced symptoms before **you** became a customer – **we** call these **pre-existing conditions**.

Our medical team reviewed **your** medical history to decide the terms on which **we** offered **you** this **health plan**. **We** may have offered to cover any **pre-existing conditions**, possibly for an extra premium, or decided to exclude specific **pre-existing conditions** or apply other restrictions to **your health plan**. If **we** have applied any personal exclusion or other restrictions to **your health plan**, this will be shown on **your** insurance certificate. This means **we** will not cover costs for **treatment** of this **pre-existing condition**, related symptoms, or any condition that results from or is related to this **pre-existing condition**. Also **we** will not cover any **pre-existing conditions** that **you** did not disclose in **your** application.

If **we** have not applied a personal exclusion or restriction to **your** insurance certificate, this means that any **pre-existing conditions** that **you** told **us** about in **your** application are covered under **your health plan**.

General exclusions

The exclusions in this section apply as well as and alongside any personal exclusions and restrictions explained above.

For all exclusions in this section, and for any personal exclusions or restrictions shown on **your** insurance certificate, **we** do not pay for conditions which are directly related to:

Our global **health plans** are non-U.S. insurance products and accordingly are not designed to meet the requirements of the U.S. Patient Protection and Affordable Care Act (the Affordable Care Act). **Our** plans may not qualify as minimum essential coverage or meet the requirements of the individual mandate for the purposes of the Affordable Care Act, and **we** are unable to provide tax reporting on behalf of those U.S. taxpayers and other persons who may be named on it. The provisions of the Affordable Care Act are complex and whether or not **you** or **your dependants** are affected by its requirements will depend on a number of factors. **You** should consult an independent professional financial or tax advisor for advice. For customers whose coverage is provided under a group **health plan**, **you** should speak to **your health plan** administrator for more information.

Please note that, should **you** choose to have **treatment** or services with a benefit provider who is not part of **network**, **we** will only cover costs that are **Reasonable and Customary**. This applies whether **we** pay them directly, or **you** pay the costs and claim this back from **us**. Other rules may apply in respect of **covered benefits** received from an 'out-of-**network**' benefit provider in certain specific countries.

TERMS AND CONDITIONS

No	CLAUSE
1.	Your policy
1.1	The definitions set out in the "Glossary" in the Guide to your Bupa Global Health Plan apply to these Terms and Conditions and are marked in bold.
1.2	This policy is an insurance contract between you the policyholder and Bupa Global for each policy year . If the policy is renewed a new insurance contract is formed on the same terms as the previous policy year but with a new premium and any amendments we have notified you the policyholder of at the time of renewal .
1.3	No other persons, including any dependants , may enforce any legal rights under this insurance contract. Dependants may use our complaints process set out in clause 15 below.
1.4	This insurance contract is set out in: <ul style="list-style-type: none"> ◦ these Terms and Conditions; ◦ the Guide to your Bupa Global health plan; ◦ the information and declarations in your application form; and ◦ the insurance certificate.
1.5	If you the policyholder add dependants to this policy , those dependants will be covered by this policy from the date shown on the updated insurance certificate sent to you the policyholder .
2.	Your cover
2.1	We will pay for the cost of any covered benefits in accordance with the terms of this policy .
2.2	Your health plan may include a mandatory annual deductible , which will be shown in the Guide to your Bupa Global health plan . You may also have an optional annual deductible , if available and selected by you the policyholder in your application form. Your deductibles will be shown on your insurance certificate. All annual deductibles apply to you the policyholder and each of the dependants separately. You the policyholder and each dependant may have different annual deductible amounts. You will have a new annual deductible if this policy renews. If an annual deductible applies, you must pay the cost of any covered benefits received directly to the provider until you have reached the level of your annual deductible . Costs in excess of the maximums shown in the Guide to your Bupa Global health plan will not count towards your annual deductible . The cost of any covered benefits you receive which are covered by your annual deductible (excluding costs in excess of the maximums shown in the Guide to your Bupa Global health plan), count towards the maximum cover limits shown in the Guide to your Bupa Global health plan . Even if the amount you are claiming is less than the amount of your annual deductible , you should still submit a claim to us so we know when you have reached the level of your annual deductible . As this is an annual deductible , if your first claim is towards the end of the policy year and your covered benefits continue over your renewal date, the annual deductible is payable separately for the covered benefits received in each policy year .
2.3	Your health plan may include a mandatory co-insurance , which will be shown in the Guide to your Bupa Global health plan . You may also have an optional co-insurance , if available and selected by you the policyholder in your application form. Your co-insurance will be shown on your insurance certificate. You must pay for the co-insurance proportion of the cost of any covered benefits to which the co-insurance applies directly to the benefits provider .

No	CLAUSE
2.4	Should we have to, for any reason, pay a benefits provider an amount which is covered by any annual deductible or co-insurance we will then collect payment from you for that amount. You authorise us to take this payment from you under the direct debit agreement or credit card authority you have given to us in your application form or as updated. If this policy has an annual deductible or co-insurance you must make sure that we always have a valid direct debit agreement or credit card authority that allows us to take payment of any annual deductible or coinsurance we have paid. You must update the direct debit agreement or credit card authority you have given to us when necessary or when requested by us . Otherwise it may cause delays in our paying claims. We will not pay claims until we have received any outstanding annual deductible or co-insurance payments.
2.5	You must obtain pre-authorization for any covered benefits where it is stated that this is needed in the Guide to your Bupa Global health plan . Details of how to pre-authorise covered benefits are available in the Guide to your Bupa Global health plan .
2.6	Before we pre-authorise any covered benefits or pay any claim, we are entitled to request more information, such as medical reports, and we may require that you have a medical examination by an independent medical practitioner appointed by us (at our cost) who will then provide us with a medical report. If this information is not provided in time once requested this may result in a delay in pre-authorization and to your claims being paid. If this information is not provided to us at all this may result in your claims not being paid.
2.7	If we make a payment to you for a benefit you are not covered for, it does not mean that we will pay identical or similar costs in the future. Any payment that we may make on this basis will still count towards the overall annual maximum limit that applies to this policy .
3.	Premium and Payment
3.1	You should pay your premiums direct to Bupa Global . If you pay your premiums to anyone else, such as an intermediary, we are not responsible for ensuring those persons pass the premium on to us . Premiums are collected by Bupa Insurance Services Limited who act as our intermediary for the purpose of receiving and holding premiums, making claims and refunds. Your premiums are protected by an agreement between us and Bupa Insurance Services Limited . The amount and method of payment is shown in your insurance certificate.
3.2	If we do not receive your premium (or any instalment) or any other payment you owe us under this policy by the due date, we will write to you the policyholder requesting payment by a specific date, which will be not less than 30 days after the date we issue our letter or email to you . If we do not receive payment by that date, this policy will be cancelled and all rights under this policy will cease from the original date on which your premium (or the first missed instalment) or other payment should have been received. We will not pay any claims until all overdue payments have been paid, unless the reason for non-payment is an error outside of your control, such as a bank error.
3.3	If we incorrectly make any payment to either a benefits provider for treatment or benefits received by you but not covered by this policy , or to you , we may deduct the amount we incorrectly paid from your future claims or seek repayment from you .
4.	Where another person has caused your condition or you hold other insurance cover
4.1	If any person is to blame for any injury, disease, illness, condition or other event where you receive any covered benefits , we may make a claim in your name. Where requested, original invoices must be provided to us.</p> <p>We are not obliged to pay for any covered benefits if the claim form is received by us more than 2 years after the covered benefits were provided to you, unless there is a good reason why it was not possible for you to make the claim earlier.</p> <p>We cannot return any original documents, but we can send you copies if you request.</p>
5.2	<p>Where you have paid the benefits provider and you have made a valid claim, we will pay you the policyholder. 5.4	<p>We will not provide cover and we will not pay any claim or provide any benefit under this insurance, if doing so would:</p> <ul style="list-style-type: none"> ◦ break any United Nations resolution, or any trade or economic sanctions, laws or regulations that apply to us (including those of the European Union, the UK, and / or the U.S.), or ◦ put us at risk of being sanctioned by any relevant authority or competent body, or ◦ put us at risk of being involved (directly or indirectly) in something which any relevant authority, banks we use, or competent body would consider to be banned or restricted. <p>If any resolutions, sanctions, laws or regulations referred to in this clause apply (or start to apply), we can take any action we consider necessary, to make sure we continue to work within them. If this happens, you acknowledge that this may restrict, delay or end our obligations under your plan, and we may not be able to pay any claim.</p>

6.3	<p>If we decide to renew this policy, we won't add any new personal restrictions or exclusions (those that appear on your insurance certificate) to your renewed policy. However, should you move to a different health plan, we may add new personal restrictions or exclusions.</p>
6.4	<p>Please contact us before your renewal date if you or your dependants have personal exclusion(s) or cover for pre-existing conditions and would like us to review this.</p> <p>We may remove your exclusion or the increased premium applied for the pre-existing condition if, in our opinion, no more treatment will be either directly or indirectly needed for the condition, or for any related condition. There are some personal exclusions that, due to their nature, we will not review.</p> <p>To carry out a review, we may ask for an up to date medical report from your family doctor or consultant.
