NEED TREATMENT?

We want to make sure everything runs as smoothly as possible when you need treatment, so we help take care of the practicalities so you can focus on getting better.

If you contact us before going for treatment, we can explain your benefits and confirm that your treatment is covered by your health plan. If needed we can also help with suggesting hospitals, clinics and doctors and offer any help or advice you may need.

In cases where you need hospital treatment, contacting us also gives us an opportunity to contact your hospital or clinic and make sure they have everything they need to go ahead with your treatment. If possible we will arrange to pay them directly too.

We would like to make you aware that there are certain benefits for which you must receive pre-authorization. These are detailed in your 'Table of benefits'. Benefits may not be paid unless pre-authorization has been provided.

The pre-authorization process

You can pre-authorise your treatment by phone or email. Once we have the necessary details, we send a pre-authorization statement to your hospital or clinic.

We also send you a pre-authorization statement. This can be used as a claim form to send back to us if you receive any invoices or are asked to pay for any aspect of your treatment yourself. More detail is provided on the claims process on the next page.

From time to time we may ask you for more detailed medical information, for example, to rule out any relation to a pre-existing condition.

Remember we can offer a second medical opinion service

The solution to health problems isn't always black and white. That's why we offer you the opportunity to get another opinion from leading international specialists.

Our approach to costs

When you are in need of a benefit provider, our dedicated team can help you find a **Recognised medical practitioner, hospital or healthcare facility** within network. Alternatively, you can view a summary of **benefit providers** on Facilities Finder at <https://bupaglobal.com/en/facilities/finder>. Where you choose to have your treatment and services with a **benefit provider** in network, we will cover the costs of any **covered benefits**, once any applicable **co-insurance** or deductible amount which you are responsible to pay has been taken from the total claimed amount.

Should you choose to have **covered benefits** with a **benefit provider** who is not part of network, we will only cover costs that are **Reasonable and Customary**. This means that the costs charged by the **benefit provider** must be no more than they would normally charge, and be similar to other **benefit providers** providing comparable health outcomes in the same geographical region. These may be determined by our experience of usual, and most common, charges in that region. Government or official medical bodies will sometimes publish guidelines for fees and medical practice (including established **treatment** plans, which outline the most appropriate course of care for a specific condition, operation or procedure). In such cases, or where published insurance industry standards exist, we may refer to these global guidelines when assessing and paying claims. Charges in excess of published guidelines or **reasonable and customary** made by an 'out-of-network' **benefit provider** will not be paid.

This means that, should you choose to receive **covered benefits** from an 'out-of-network' **benefit provider**:

- o you will be responsible for paying any amount over and above the amount which we reasonably determine to be **reasonable and customary** – this will be payable by you directly to your chosen 'out-of-network' **benefit provider**;
- o we cannot control what amount your chosen 'out-of-network' **benefit provider** will seek to charge you directly.

There may be times when it is not possible for you to be treated at a **benefit provider** in network, for example, if you are taken to an 'out-of-network' **benefit provider** in an **emergency**. If this happens, we will cover the costs of any **covered benefits** (after any applicable co-insurance or deductible has been taken).

If you are taken to an 'out-of-network' **benefit provider** in an **emergency**, it is important that you, or the benefit provider, contact us within 48 hours of your admission, or as soon as reasonably possible in the circumstances. If it is the best thing for you, we may arrange for you to be moved to a **benefit provider** in network to continue your treatment once you are stable. Should you decline to transfer to a benefit provider in network only the **reasonable and customary** costs of any **covered benefits** received following the date of the transfer being offered will be paid (after any applicable **co-insurance** or deductible has been taken).

Pre-authorization complete and now going for treatment?

Always remember to keep your insurance card on you and present it to your benefit provider when you arrive.

More rules may apply in respect of **covered benefits** received from an 'out-of-network' **benefit provider** in certain countries.

These charge levels may be governed by guidelines published by relevant government or official medical bodies in the particular geographical region, or may be determined by our experience of usual, and most common, charges in that region.

Treatment in the U.S

If you need treatment in the U.S. and you know or think one of the below applies to you, you must contact us for pre-authorization before you receive your treatment. If you don't pre-authorise the following we will not cover the cost:

- o staying overnight in **hospital**
- o visiting **hospital** as a **day-patient**
- o having **treatment** for cancer
- o having advanced imaging, for example magnetic resonance imaging (MRI), computerised tomography (CT) or positron emission tomography (PET)
- o **rehabilitation**
- o transportation/travel

We have arrangements in place if you need to have treatment, attend a **hospital** or visit a **doctor** in the U.S. You can access a **network** of **hospitals** and medical providers and as long as you pre-authorise your treatment, your covered costs will be paid in accordance with 'the 'Table of benefits' and settled directly wherever possible.

We accept that it may not always be possible for you to be treated at a **network hospital** when for example it is over 30 miles/50km away from your address or the **treatment** isn't available. If this happens to you we will still look to cover the costs.

Of course we understand that there are times when you simply cannot get pre-authorization, such as in an **emergency**. If you are taken to **hospital** in an **emergency**, it is important that you ask the **hospital** to contact us within 48 hours of your admission. We can then make sure you are getting the right care, in the right place.

If you have been taken to a **hospital** that is not part of the **network** (and is the best thing for you) we will arrange for you to be moved to a **network hospital** to continue your treatment once you are stable.

THE CLAIMING PROCESS

Whether **you** choose direct payment or 'pay and claim' **we** provide a quick and easy claims process. **We** aim to arrange direct settlement wherever possible, but it has to be with the agreement of whoever is providing the treatment. In general, direct settlement can only be arranged for **in-patient treatment** or **day-case treatment**. Direct settlement is easier for us to arrange if **you** pre-authorise **your treatment** first, or if **you** use a participating **hospital** or healthcare facility.

How to make a claim

- The quickest way to submit **your** claim is to log on to **your** MembersWorld account and submit **your** claim electronically. **You** have the choice of submitting an on-line claim or uploading any completed claims form.
- Make sure **we** have all the information as the biggest delay to paying a claim is normally incomplete, missing or ineligible information.
- Make sure **you** have given **your** correct bank details. Reimbursement by bank transfer is by far the quickest way to receive **your** payment.

If **you** need assistance with a claim **you** can

- Call **us** on **+44 (0) 1273 718 379**
- Email **info@bupaglobal.com**

WANT TO ADD MORE PEOPLE TO YOUR HEALTH PLAN?

You can apply to include **dependants**, including newborn children, to this **health plan** by filling in an application form

You can download this easily from <https://membersworld.bupaglobal.com>. If **you** are adding **your** newborn child please complete the 'newborn application form' or **you** can contact **us** and **we** will send one to **you**.

It is possible to add dependants or newborn children on to a different health plan and/or include a different co-insurance for each person.

When **you** apply, the **dependant's** medical history will be reviewed by **our** medical team which may result in cover for **pre-existing conditions** or exclusions or **we** may decline to offer cover. The cover will start on the date **our** medical team accept **your** application to join. Any special restrictions or exclusions are personal to the person **you** add and will be shown on **your** insurance certificate.

Adding your newborn child?
Congratulations on **your** new arrival!

To add **your** newborn baby **you** will need to send **us** a completed newborn application form. If:

- either parent has been a **Bupa Global** member for at least 18 months before the baby's birth, and
- **we** receive the application form within 30 days of the baby's birth

we will add the baby to the **policy** from their date of birth.

However, if:

- neither parent has been a **Bupa Global** member for at least 18 months before the baby's birth, or
- **we** receive the application form more than 30 days after the baby was born

cover will start on the date that **we** receive the application form.

When **you** apply, the baby's medical history will be reviewed by **our** medical team which may result in cover for **pre-existing conditions**, special restrictions or exclusions, or **we** may decline to offer cover. This means that if the baby has medical conditions that need **treatment**, these might not be covered by the **policy**.

If there are any changes to the information **you** provided in the application form after **you** or **your dependants** sign it and before **we** accept the application, please let **us** know straight away.

YOUR HEALTH PLAN BENEFITS

The 'Table of benefits' provides an explanation of what is covered on **your health plan** and the associated limits.

Benefit limits

There are three kinds of benefit limits shown in this table:

1. The 'overall annual maximum' – the maximum amount **we** will pay in total for all benefits, for each person, in each **policy year**.
2. Annual limits for a group of benefits – the maximum amount **we** will pay in total for all of the benefits in that group, such as **out-patient** day to day care.
3. Individual benefit limits – the maximum amount **we** will pay for individual benefits such as **rehabilitation**.

All benefit limits apply per person. Some apply each **policy year**, which means that once a limit has been reached, the benefit will no longer be available until **you** renew **your health plan**. Others apply per lifetime, which means that once a limit has been reached, no more benefits will be paid, regardless of the **renewal** of **your health plan**.

Currencies

All the benefit limits and notes are set out in three currencies: EUR, GBP and USD. The currency in which **you** pay **your** premium is the currency that applies to **your health plan** for the purpose of the benefit limits.

Waiting periods

You will notice that waiting periods apply to some of the benefits. This means that **you** cannot make a claim for that particular benefit until **you** have been covered for the full duration of the waiting period stated.

How does the co-insurance work?

Your co-insurance will be shown on **your** insurance certificate and **your** insurance card. Each person on **your** plan can have a different **co-insurance** so remember to check.

The **co-insurance** on this **health plan** is the percentage of all **out-patient** day to day care expenses that **you** share with **us** – please refer to **your** 'Table of benefits'.

EXAMPLE

With 15% **co-insurance**, so **you** always pay 15% of **your out-patient** day to day care

You have a consultation with your doctor which costs €80	15% out-patient day to day care co-insurance applied is €12
-------------------------------------------------------------------------------	----------------------------------------------------------------------------------

Amount paid by **us** is **€68**

Later in the year you stay in hospital for 5 days which costs €8,000	As this is in-patient care the co-insurance applied is €0
-------------------------------------------------------------------------------------------	--------------------------------------------------------------------------------

Amount paid by **us** is **€8,000**

Please note that the benefit limits shown in the 'Table of benefits' is the maximum paid by **us**.

YOUR EXCLUSIONS

In the 'General exclusions' section below, **we** list specific **treatments**, conditions and situations that **we** do not cover as part of **your health plan**. As well as these general exclusions, **you** may have personal exclusions or restrictions that apply to **your health plan**, as shown on **your** insurance certificate.

Do you have cover for pre-existing conditions?

When **you** applied for **your health plan** you were asked to provide all information about any disease, illness or injury for which **you** received medication, advice or **treatment**, or **you** had experienced symptoms before **you** became a customer – **we** call these **pre-existing conditions**.

Our medical team reviewed **your** medical history to decide the terms on which **we** offered **you** this **health plan**. **We** may have offered to cover any **pre-existing conditions**, possibly for an extra premium, or decided to exclude specific **pre-existing conditions** or apply other restrictions to **your health plan**. If **we** have applied any personal exclusion or other restrictions to **your health plan**, this will be shown on **your** insurance certificate. This means **we** will not cover costs for **treatment** of this **pre-existing condition**, related symptoms, or any condition that results from or is related to this **pre-existing condition**. Also **we** will not cover any **pre-existing conditions** that **you** did not disclose in **your** application.

If **we** have not applied a personal exclusion or restriction to **your** insurance certificate, this means that any **pre-existing conditions** that **you** told **us** about in **your** application are covered under **your health plan**.

General exclusions

The exclusions in this section apply as well as and alongside any personal exclusions and restrictions explained above.

For all exclusions in this section, and for any personal exclusions or restrictions shown on **your** insurance certificate, **we** do not pay for conditions which are directly related to:

- excluded conditions or **treatments**
- extra or increased costs arising from excluded conditions or **treatments**
- complications arising from excluded conditions or **treatments**

Our global **health plans** are non-U.S. insurance products and accordingly are not designed to meet the requirements of the U.S. Patient Protection and Affordable Care Act (the Affordable Care Act). **Our** plans may not qualify as minimum essential coverage or meet the requirements of the individual mandate for the purposes of the Affordable Care Act, and **we** are unable to provide tax reporting on behalf of those U.S. taxpayers and other persons who may be named on it. The provisions of the Affordable Care Act are complex and whether or not **you** or **your dependants** are affected by its requirements will depend on a number of factors. **You** should consult an independent professional financial or tax advisor for advice. For customers whose coverage is provided under a group **health plan**, **you** should speak to **your health plan** administrator for more information.

Please note that, should **you** choose to have **treatment** or services with a **benefit provider** who is not part of **network**, **we** will only cover costs that are **Reasonable and Customary**. Other rules may apply in respect of **covered benefits** received from an 'out-of-network' **benefit provider** in certain specific countries. This applies whether **we** pay the **benefit provider** directly, or **you** pay the costs and claim this back from **us**.

You the policyholder and each dependant may have different annual deductible amounts. You will have a new annual deductible if this policy renews.</p> <p>If an annual deductible applies, you must pay the cost of any covered benefits received directly to the provider until you have reached the level of your annual deductible.</p> <p>Costs in excess of the maximums shown in the Guide to your Bupa Global health plan will not count towards your annual deductible.</p> <p>The cost of any covered benefits you receive which are covered by your annual deductible (excluding costs in excess of the maximums shown in the Guide to your Bupa Global health plan), count towards the maximum cover limits shown in the Guide to your Bupa Global health plan.</p> <p>Even if the amount you are claiming is less than the amount of your annual deductible, you should still submit a claim to us so we know when you have reached the level of your annual deductible.</p> <p>As this is an annual deductible, if your first claim is towards the end of the policy year and your covered benefits continue over your renewal date, the annual deductible is payable separately for the covered benefits received in each policy year.</p>
2.3	<p>Your health plan may include a mandatory co-insurance, which will be shown in the Guide to your Bupa Global health plan. You may also have an optional co-insurance, if available and selected by you the policyholder in your application form. 2.4	<p>Should we have to, for any reason, pay a benefit provider an amount which is covered by any annual deductible or co-insurance we will then collect payment from you for that amount.</p> <p>You authorise us to take this payment from you under the direct debit agreement or credit card authority you have given to us in your application form or as updated.</p> <p>If this policy has an annual deductible or co-insurance you must make sure that we always have a valid direct debit agreement or credit card authority that allows us to take payment of any annual deductible or coinsurance we have paid.</p> <p>You must update the direct debit agreement or credit card authority you have given to us when necessary or when requested by us. Otherwise it may cause delays in our paying claims. We will not pay claims until we have received any outstanding annual deductible or co-insurance payments.</p>
2.5	<p>You must obtain pre-authorisation for any covered benefits where it is stated that this is needed in the Guide to your Bupa Global health plan.</p> <p>Details of how to pre-authorise covered benefits are available in the Guide to your Bupa Global health plan.</p>
2.6	<p>Before we pre-authorise any covered benefits or pay any claim, we are entitled to request more information, such as medical reports, and we may require that you have a medical examination by an independent medical practitioner appointed by us (at our cost) who will then provide us with a medical report.</p> <p>If this information is not provided in time once requested this may result in a delay in pre-authorisation and to your claims being paid. If this information is not provided to us at all this may result in your claims not being paid.</p>
2.7	<p>If we make a payment to you for a benefit you are not covered for, it does not mean that we will pay identical or similar costs in the future. Any payment that we may make on this basis will still count towards the overall annual maximum limit that applies to this policy.</p>
3.	Premium and Payment
3.1	<p>You should pay your premiums direct to Bupa Global. If you pay your premiums to anyone else, such as an intermediary, we are not responsible for ensuring those persons pass the premium on to us.</p> <p>Premiums are collected by Bupa Insurance Services Limited who act as our intermediary for the purpose of receiving and holding premiums, making claims and refunds. Your premiums are protected by an agreement between us and Bupa Insurance Services Limited. The amount and method of payment is shown in your insurance certificate.</p>
3.2	<p>If we do not receive your premium (or any instalment) or any other payment you owe us under this policy by the due date, we will write to you the policyholder requesting payment by a specific date, which will be not less than 30 days after the date we issue our letter or email to you.</p> <p>If we do not receive payment by that date, this policy will be cancelled and all rights under this policy will cease from the original date on which your premium (or the first missed instalment) or other payment should have been received.</p> <p>We will not pay any claims until all overdue payments have been paid, unless the reason for non-payment is an error outside of your control, such as a bank error.</p>
3.3	<p>If we incorrectly make any payment to either a benefit provider for treatment or benefits received by you but not covered by this policy, or to you, we may deduct the amount we incorrectly paid from your future claims or seek repayment from you.</p>
4.	Where another person has caused your condition or you hold other insurance cover
4.1	<p>If any person is to blame for any injury, disease, illness, condition or other event where you receive any covered benefits, we may make a claim in your name.</p> <p>You must provide us with any assistance we reasonably require to help make such a claim, for example:</p> <ul style="list-style-type: none"> ◦ providing us with any documents or witness statements; ◦ signing court documents; and ◦ submitting to a medical examination. <p>We may exercise our rights to bring a claim in your name before or after we have made any payment under the policy.</p> <p>You must not take any action, settle any claim or otherwise do anything which adversely affects our rights to bring a claim in your name.</p>

5.	Making a claim
5.1	<p>We aim to pay the benefit provider directly for any covered benefits covered by this policy whenever possible.</p> <p>Otherwise you must pay the benefit provider and then send a completed claim form to us, with copies of all valid invoices, relevant letters and other documents relating to the covered benefits you are claiming for. Where requested, original invoices must be provided to us.</p> <p>We are not obliged to pay for any covered benefits if the claim form is received by us more than 2 years after the covered benefits were provided to you, unless there is a good reason why it was not possible for you to make the claim earlier.</p> <p>We cannot return any original documents, but we can send you copies if you request.</p>
5.2	<p>Where you have paid the benefit provider and you have made a valid claim, we will pay you the policyholder. We may pay a dependant only where the dependant received the covered benefits, they are over 16 and we have their current bank details.</p> <p>We only pay by electronic transfer direct to your bank account or by cheque payable to you.</p> <p>We pay the administration costs for making electronic transfers. If your local bank charges you an administration fee, we will refund you on receipt of proof you have paid such fees. All other bank charges or fees, such as currency exchange, are your responsibility, unless you are charged because we made a mistake.</p>
5.3	<p>We will reimburse you in the currency:</p> <ul style="list-style-type: none"> ◦ in which we receive the premium ◦ of the invoices you send us, or ◦ of your bank account. <p>Sometimes banking rules may not let us pay you in the currency you would like. 5.4	<p>We will not provide cover and we will not pay any claim or provide any benefit under this insurance, if doing so would:</p> <ul style="list-style-type: none"> ◦ break any United Nations resolution, or any trade or economic sanctions, laws or regulations that apply to us (including those of the European Union, the UK, and / or the U.S.), or ◦ put us at risk of being sanctioned by any relevant authority or competent body, or ◦ put us at risk of being involved (directly or indirectly) in something which any relevant authority, banks we use, or competent body would consider to be banned or restricted. <p>If any resolutions, sanctions, laws or regulations referred to in this clause apply (or start to apply), we can take any action we consider necessary, to make sure we continue to work within them. If this happens, you acknowledge that this may restrict, delay or end our obligations under your plan, and we may not be able to pay any claim.</p>

6.3	<p>If we decide to renew this policy, we won't add any new personal restrictions or exclusions (those that appear on your insurance certificate) to your renewed policy. However, should you move to a different health plan, we may add new personal restrictions or exclusions.</p>
6.4	<p>Please contact us before your renewal date if you or your dependants have personal exclusion(s) or cover for pre-existing conditions and would like us to review this.</p> <p>We may remove your exclusion or the increased premium applied for the pre-existing condition if, in our opinion, no more treatment will be either directly or indirectly needed for the condition, or for any related condition. There are some personal exclusions that, due to their nature, we will not review.</p> <p>To carry out a review, we may ask for an up to date medical report from your family doctor or consultant. Any costs incurred in obtaining these details are not covered under your plan and are your responsibility</p>

7.5	<p>If you ask to add a new dependant to this policy, we will review that person's medical history. If there is no new policyholder, the policy will end.</p> <p>In either case, where there have been no claims, we will refund the premium for the period after the policy ended.</p>
